

RESIDENTIAL WITHDRAWAL MANAGEMENT SERVICES

519-332-HOPE (4673)

A voluntary program in a safe setting for people over the age of 16, who choose to withdraw from drugs or alcohol.

- Pre-admission screening with staff ensures a safe withdrawal in a non-medical setting.
- Supportive counseling and daily educational groups for people throughout the withdrawal process.
- Treatment planning and referrals to ongoing care and connections to community services.

Meals, snacks and linens are provided. Phone access and tobacco use is permitted. Medications can be taken as prescribed by a doctor or nurse practitioner.

Call **519-332-HOPE (4673)** to confirm bed availability and to complete the quick screening/intake assessment.
