

## **Emergency Physician Low Acuity Emergency Department**

Are you interested in practicing with a core group of young committed physicians in one of the most desirable towns in southern Ontario? Practicing in Petrolia will give you the perfect balance of practice and quality of life.

### Practice Opportunity:

- Well suited for a family doctor with interest or training in ER
- ACLS & ATLS required
- 10-hour day shift and 14 hour overnight shift, few patients after 23:00
- Patient volume 55 patients per 24 hours, most between 0800 & 2300
- Compensation under Alternate Payment Plan
- Community physicians provide back up
- Specialist support available in Sarnia

### Lifestyle:

- Live in a modern neighbourhood, 5 minutes from work
- Beautiful natural surroundings, safe community with diversified economy, mixed commercial, industrial & agricultural, rich community history as cradle of the global oil industry, professional theatre
- 20 minutes to Lake Huron – boat, fish, swim
- Warm weather, close proximity to large cities & international airports
- Friendly people, appreciative patients

The Charlotte Eleanor Englehart Hospital site of Bluewater Health in Petrolia is a acute care hospital which serves the needs of rural Lambton County through a mix of acute care (including emergency, inpatient and ambulatory care) and continuing care services. CEEH site in Petrolia is affiliated with the Bluewater Health 163 acute care bed hospital in Sarnia.

Award winning and Accredited with Exemplary Standing, Bluewater Health is committed to improving the patient experience using engagement, Lean, and innovation.
